

“galactic is a sensuous, swampy, and plenty-tight source of pan-cultural acid jazz like only the crescent city could supply.” (Billboard)

you're invited you to get back to basics with the new orleans swamp funk of galactic

galactic

“a deep-grooving brand of muscular, economic, syncopated soul-funk that hits the ear with almost bewildering impact... almost too good to be true.” (LA Weekly)

on nonstop tour in support of their debut cd "coolin' off" (out now on fog city records)
