

GALACTIC

ON TOUR - STRAIGHT OUTTA

NEW ORLEANS

BILLBOARD CALLED GALACTIC "A SENSUOUS, SWAMPY, AND PLENTY-TIGHT SOURCE OF PAN-CULTURAL ACID JAZZ LIKE ONLY THE CRESCENT CITY COULD SUPPLY." THE LA WEEKLY CALLED THEIR DEBUT CD "A DEEP-GROOVING BRAND OF MUSCULAR, ECONOMIC, SYNCOPATED SOUL-FUNK THAT HITS THE EAR WITH ALMOST BEWILDERING IMPACT. ALMOST TOO GOOD TO BE TRUE." COME SEE (AND HEAR!) WHAT ALL THE FUSS IS ABOUT!

Stanton Moore drums

guitar **Jeff Raines**

"What I'm trying to do is go back to the roots of the rhythms of New Orleans - the rhythms of the Mardi Gras Indians and the brass bands - and do something that's my own."

"We'd played with two or three other drummers before we hooked up with Stanton, but he really took it to the next level with that whole street beat thing."

Rich Vogel keyboards

bass **Robert Mercurio**

"Rhythm in New Orleans is a universe unto itself. There's nowhere in the world where you get the kind of rhythm and the kind of feel you get from New Orleans musicians. If you've got any ears at all, it's gotta rub off."

"I made this wierd prosciutto ham with a raw egg and mozzarella and romano cheese pasta dish - and a few hours after that I found myself violently ill for a good 24 hours."
